17 January 2025

HIGHLIGHTS

- **GloBE news**
 - Inclusive Framework releases numerous documents providing additional guidance on GloBE rules
- **Pillar One**
 - Co-chairs of Inclusive Framework provide update on status of Amount A and Amount B
- **Countdown of top 10 international tax cases of 2024**

HAPPY FRIDAY!

The guns stop (for now) in **Gaza**; **Joe** swaps malarkey for oligarchy; and **Rambo** becomes a "special envoy" to Hollywood!

Meanwhile, in the tax world...

OECD provides transitional qualification and deferral; the **Inclusive Framework** can't move from A to B; **Macau** finds a code; **Vietnam** is qualified; and regulations flood the **US!**

But at the end of the week, the most important question is this: "If **Greenland** is sold to the **US**, who receives the money – **Denmark** or the **Greenlanders**?"

Have a great weekend!

Steve
